

EDUCATIONAL LEADERSHIP NETWORK EUROPE
(ELNE)

European Educational Leadership Week, online

14th February 2024, 10:15 AM – 11:15 AM CET

Research Corner: Transformation of Learning Context and Environments

Organiser: Educational Leadership Network Europe

This webinar will welcome the authors of the most inspiring research papers received to the ELNE Call for Research Summaries on ‘transformation of the learning context and environments’. Researchers will engage in a lively discussion about the evolution and transformation of learning environments in recent times and the applicability and transferability of their findings.
